## PRODUCT UPDATE BULLETIN

### PRODUCT DISCONTINUATION ANNOUNCEMENT

Effective August 1<sup>st</sup>, 2019, Plombco will be discontinuing PC and CC adhesive wheel weight part numbers in order to streamline the offering and better serve the overall North American market. The impacted product pieces are shown below, as well as in the complete Excel chart that should accompany this document.

Discontinued Product Series	PN	Status	Proposed Alternatives
StickPro <sup>®</sup> PCZAS Zinc Series	Various	Discontinued August 1	HPW 361 Zinc Series
StickPro <sup>®</sup> PCAS Lead Series	Various	Discontinued August 1	HPW 361 Zinc Series
StickPro <sup>®</sup> CCZAS Zinc Series	Various	Discontinued August 1	HPW 361 Zinc Series

### AS A CUSTOMER, WHAT SHOULD I DO?

- Notify your sales, marketing, purchasing and logistics teams of the update
- Transition/supersede all discontinued product series to the proposed alternative
- It is recommended that you update your sales and catalog documentation to reflect the updates in your next edition

### FOR ADDITIONNAL INFORMATION:

For any questions about this product offering update, you can please contact your regional aftermarket sales manager or reach out to Emilie St-Onge, Director of Customer Experience, at 1-800-611-7074 or [emilie.st-onge@plombco.com](mailto:emilie.st-onge@plombco.com).
